*"Tour of Enchantment" 2005*

**W**elcome to CANDISC, Cycling Around North Dakota in Sakakawea Country, a bicycle ride across some of the greatest frontier of North America. **CANDISC will cover 401 miles of hills, dales, highways and scenic roads in North Dakota. You'll taste North Dakota hospitality first hand as communities open their towns to you.**

In it's 13th year, CANIDSC is a bicycle tour not a race. **"Tour of Enchantment" 2005 will cycle the amazing Enchanted Highway featuring the world's largest metal sculptures, whose creator was named a Bush Artist Fellow. Plan to visit Knife River Indian Villages National Historic Site on the Lewis and Clark Trail, home of the famous Corps of Discovery guide Sakakawea. Be sure to stop at renowned Fort Abraham Lincoln where Legendary General George Armstrong Custer commanded the 7th Cavalry. Take time on the tour for Assumption Abbey featuring early 1900's St. Mary Catholic Church patterned after Bavarian Romanesque architecture with majestic twin towers, vaulted ceilings, stained glass windows and wonderful original paintings.** The ride will begin at Fort Stevenson State Park at Garrison, ND, 1,500 population town on beautiful Lake Sakakawea, largest Army Corps reservoir in the USA. Riders will travel east and back to the Park to end the **seven day** tour.

*Come join us...  
for the ride of your life.*

## Before the ride...

This brochure contains a CANDISC application form. To ensure your place in the ride make sure you give complete informa-

tion. Note that the application form also includes a waiver that must be signed. Be sure a signed waiver is submitted for each person wanting to participate in CANDISC.

Application is limited to 500 riders so participation is on a first-come, first-serve basis. Cut off date is July 15, 2005. We know more will want to participate, so get your application in early.

Fees will be returned to those who apply after the 500 limit has been met.

Application fee is \$120 per person or \$275 for a family (husband, wife, children 18 & under) and should be paid by check or online by credit card.

Your application fee includes overnight camping in 7 communities, showers, sag service, official CANDISC ID bands, CANDISC shirt, travel information on North Dakota, emergency medical support, route maps, baggage tags or vehicle pass, week long parking, marked route, mechanic support, baggage transfer, portapotty support, accident insurance, designated rest stops with water every 10 to 20 miles, patrolled route, bike plate and free meal at the end of the tour.

Each rider under age 18 must have a signed medical release in his or her possession at all times. It's important to have the release at all times to prevent delays of medical treatment. Minors must be accompanied by responsible adults, preferably parents. Unaccompanied minors will be sent home. Any minor consuming alcoholic beverages may be charged according to the law and sent home.

# Planning for the ride...

CANDISC is a ride not a race. But you will get the most out of it if you are in good shape. The route is 401 miles with daily mileage ranging from 46 to 68 with a century option available. Terrain in North Dakota can vary from flat wheat fields to steep hills. **If you are unable to complete the ride, you are responsible for your own transportation back to Fort Stevenson State Park near Garrison.**

You may begin riding each morning at sunrise, officially 6 a.m. Riding in the dark is foolish as North Dakota enjoys 16 hours of daylight during the summer. Please plan to ride at a speed that will enable you to finish each day before sundown.

Sag wagons will bring up the rear to pick up those riders who break down physically or mechanically. You can use the "thumbs down" signal to let the drivers know you need help. **If riders are veering off the established route they must let a CANDISC official know their intentions. We are concerned about your whereabouts and wellbeing.**

Once your application is accepted, you will receive a confirmation letter. At the park on Aug. 6th you will receive a packet containing:

**Rider's tags:** You will receive a rider's band that must be worn during the ride. It cannot be removed without cutting or destroying the clasp. It gives you access to emergency medical services, shuttle buses, sag wagons, campground facilities, showers, mechanical repairs, etc.

**Baggage tags:** A baggage tag permits you to put your gear on the CANDISC baggage trucks. By accepting baggage tags, you agree to leave your vehicle at Fort Stevenson State Park or at home.

For security reasons, baggage must be clearly marked and can be claimed from our trucks only by showing proper identification. **Each rider is allowed two bags (weighing not more than 30 lbs. each) no external strapping to the bags. This will ease your luggage loading.**

Be sure to have your baggage at the baggage trucks by 8 a.m. The trucks load where they unloaded the day before in the campgrounds. You will be responsible for transporting your luggage to and from the luggage truck. **Those not staying in the CANDISC campground must make arrangements with their motel to have their gear shuttled from the luggage truck in the afternoon and back to the luggage truck by 8:00 o'clock the next morning.**

**Vehicle Pass:** A vehicle pass is required for any vehicle accompanying CANDISC. All vehicles must have designated stops and not follow the cyclists which can cause a hazardous situation. The vehicle pass will include route mapping, staying in designated CANDISC campgrounds and use of campground facilities, vehicle ID and state map.

**Daily route maps/markings:** Daily route maps will be provided to riders. The exact route will also be clearly marked on the right side of the road.

**Bicycle receiving and shipping** is available. Shuttle service from **Bismarck and Minot airports** is available. Finalize your arrangements with CANDISC by July 15 if you need these services.

## Your Accommodations...

Camping areas will be set aside by each community on school grounds or city or State Parks. The night before CANDISC begins you will camp at Fort Stevenson State Park in designated areas. A hotel/motel list is available by calling the 800 number or email listed in this brochure.

Showers will be available at schools, swimming pools and parks. Shuttle service is usually available from the campgrounds to the showers, downtown area and eating places.

Please respect facilities. Do not trespass on private property.

Food is not included in the price of the tour. However, CANDISC has made arrangements with local groups (churches, service and civic clubs etc.) to have breakfast and dinner available. Also rest stops along the route each day will have food and drink available. Be sure to bring along enough money to cover your meals and rest stops, bicycle repairs and incidentals such as souvenirs.

CANDISC will continue on schedule despite poor weather conditions. Weather and temperature can greatly vary this time of year so be prepared. You should pack accordingly. Here's some ideas on what to bring:

**Bicycle equipment:** Consider bringing a small bicycle repair kit. Bring a lock and cable for your bicycle and USE IT. Helmets will be required so bring a **HELMET** and **WEAR IT**. In addition, rear view mirror, water bottles, pump, bike gloves, bike rack, bike bag, plastic seat cover and other necessary equipment.

**Camping:** Duffel bags, sleeping bag, pillow, pad, tent, ground cloth, rope, stakes, flashlight.
